

On behalf of Creative Visions Social Services & Consultants, (CVSS) Board of Directors and our entire staff, we are pleased to announce the Celebration of our 25th Anniversary of providing excellent services and community outreach. Many hardships accompanied this journey, but our immense hard work and dedication has helped us to maintain our commitment and integrity over the years. We have provided quality youth development programs and activities and impacted the lives of numerous families through our Adopt a Family, (AAF) and Feed a Family, (FAF) initiatives.

Our mission to engage individuals, youth, families and communities by providing leadership skills and opportunities for self-sufficiency, has allowed us to establish unique relationships with loyal community partners. We believe our programs fills a vital role in our community and speak to the issues that needs to be addressed. CVSS is 501c3 nonprofit organization that relies solely on contributions from businesses and companies to make events such as this a success.

We invite our youth, families, communities, corporations, small businesses, and faith-based partners to join in on our celebrations over the next year as we recognize and acknowledge those who have helped us to make a difference in our surrounding community.
